<b>Policy</b>	<p>Seven Generations Charter School (SGCS) is a Public School within the East Penn School District. Monetary and in-kind donations are tax deductible. Federal and state funding for public education provides for traditional school activities, but such allocations often fall short and simply do not cover the cost of much needed items like assistive technology, advanced school safety security systems, emergency brick and mortar needs, progressive educational-program offerings and learning resources that improve the educational experience and outcomes for students but are not able to be included in the annual charter school budget. Collectively additional resources gained by the generous support of willing donors, in essence, helps the School fill in the gaps towards meeting the goals of the mission and vision of the School, including the desire to offer an “environment of academic excellence that taps into the creativity and uniqueness of each child and that fosters mutual respect.”</p>
