

SEVEN GENERATIONS CHARTER SCHOOL	SECTION: EMPLOYEES
	TITLE: 360 – MEDICAL EDUCATION AND TRAINING
	ADOPTED: February 8, 2011
	REVISED: 15 November 2016

Policy	<p>The Board of Trustees (“Board”) of Seven Generations Charter School (“Seven Generations”) recognizes that a number of students have medically certified diabetes and/or asthma and/or allergic conditions requiring medication, equipment or testing to be administered during school hours in order to maintain health, treat emergency situations and to function in the school setting.</p> <p>The Board will require that all Seven Generations personnel are provided with training on an annual basis on diabetes, asthma and allergic reactions, as well as monitoring students who self-administer medication and equipment for diabetes and/or asthma and reviewing students’ ability to self-administer same.</p>
Delegation of Responsibility	<p>The Board of Trustees of Seven Generations Charter School authorizes the Chief Executive Officer (CEO) or his/her designee to enforce this policy.</p> <p>Training will be provided by a Registered Nurse or physician licensed to practice in the Commonwealth of Pennsylvania. As consented to in the Medical Management Plan, teachers and other faculty will be provided with information on students with diabetes, asthma and/or severe allergies, as well as training for understanding, knowledge and emergency interventions.</p>
Guidelines	<p>All training on medical Conditions should also include the following:</p> <ol style="list-style-type: none"> 1. Procedures to be followed when the school nurse is not available; 2. Location of Medical Management Plans; 3. Notice to teachers and faculty of students with severe allergies, diabetes or asthma; 4. Confidentiality of information on student medical conditions; 5. Location of medications (epinephrine auto-injectors and asthma inhalers) for students who either by age or lack of demonstrated competence cannot self-administer or carry the necessary medical equipment or medications. These medications must be readily available to all Seven Generations staff to obtain in an emergency situation when the school nurse is not available.
