

Act 372 Transportation Request

School Year 23-24

Change of Home Address

According to Pennsylvania Law, non-public students are entitled to transportation to non-public schools as follows:

1. A district which provides transportation for resident public-school students must also make identical provisions for the transportation of resident non-public students.
2. Transportation for non-public school students must be provided to and from the non-public school in which the student is enrolled even if the non-public school is located outside the district so long as that distance is not greater than 10 miles beyond the district's nearest boundary.

All residents must submit proof of Legal Residency on a yearly basis along with their 372-transportation form before transportation is granted.

Act 372 requests received after the start of school could take 3-5 days to process.
